

Erdman AFTERNOON EXPLORERS Program

Tuesdays or Wednesdays
Beginning September 26, 2016

This extended day enrichment program is for children in 4's classes who would enjoy additional time exploring curriculum-based, hands-on literacy, math, science, creative arts, physical development and social experiences. Each day will focus on one special project as well as time for cooperative free play, quiet time, snack and plenty of outdoor time. EXPLORER activities will not be the same as classroom activities. The emphasis is on fun and learning with friends in a small group taught by two Erdman teachers.

- Registration options are available to fit your needs.
- **Your child will have a guaranteed place in Lunch Bunch (daily fee included) or may join us at 1:00.**
- You may sign up for 1 day or 2 days. Please mark your first and second choice for days. Once all interested children have been placed in one day of Explorers and if there are still openings then children requesting a second day will be placed. Preference is based on the order sign up sheets are received.
- There is a maximum of 12 children.
- The cost per month is \$160/day. The 8 payments can be made with monthly tuition due on the 15th of each month starting October 15th.
- Late Pick-up option is available from 3:30-4:00 for an additional \$5/day.

Please speak to Debby, Sue T. or Beth if you have any questions.

MORE OF WHAT YOUR CHILD LOVES ABOUT ERDMAN!

My child _____ will attend EXPLORERS on:

Tuesdays: _____ 11:30-3:30 _____ 1:00-3:30 (no Lunch Bunch) _____ choice
