

THANK YOU TO ALL OUR FAMILIES FOR A SPECIAL YEAR

It is hard to believe that another year at Erdman is almost over! All of us want you to know how much we appreciate the love and support you have given to your child and the school this year. A huge THANK YOU to Kelly Butterworth, Noreen Sharpe, Julie Long, Nicole Noord, Eileen Keenan, their crew and all our families for making Erdfest such a wonderful event! We thank everyone who helped out with Lunch Bunch, donated to Helping Hands, volunteered as room parents and worked on various PAC and classroom projects. Each one of you is an important part of our school and we are grateful for your involvement.

MARK YOUR CALENDARS LAST MINUTE REMINDERS!

- **Wednesday, June 7:** Explorers ends
- **Friday, June 9:** Last day for Lunch Bunch and Stay & Play
- **Monday, June 12:** Last day for late Pick Up
- **Tuesday, June 13:** Last day for MTTH 3s and 4s.
11:00 – MTTH 4s climb Lawson Tower
11:30 – Ice Cream Social for MTTH 3s and 4s
- **Wednesday, June 14:** Last day early drop off and for MWF classes
10:30 – MWF 4s climb Lawson Tower

- Siblings are welcome at Ice Cream Socials, but may not climb the Tower. Child care will be provided on the playground.
- It's not too late to submit your End of the Year Survey. We appreciate the insights that your feedback provides.
- **June 15:** First tuition payment due for 2017-18 school year

2017 – 2018 CLASS PLACEMENTS

A few openings remain in the MTTH Fours and the MWF Older Threes. Please encourage your friends to call for information and a visit if they are thinking about preschool next fall. Your referrals are the best references we could every hope for! Thank you so much!

ERDMAN SUMMER CAMP

Join the fun this summer! Summer camp information is available in the office. All weeks are still available and Patti can answer any questions you might have.

LOOKING AHEAD

We are so excited to have been awarded a grant by the Scituate Education Foundation! In the fall we will have a new building area in our outdoor classroom! This space will invite children to explore, create and build with primarily natural materials to develop and extend science, math and language concepts. Open exploration of materials will be followed by activities focused on specific challenges. Watch for more detailed information in September.

In the fall we will have another exciting opportunity. We will be participating in the Early Learning Study through the Harvard Graduate School of Education. This study will look at what children know and can do. Detailed information from Harvard will come in the fall.

THURSDAY AND FRIDAY, SEPTEMBER 7 & 8: PARENT CONFERENCES

SUNDAY, SEPTEMBER 10: FAMILY GATHERING ON THE PLAYGROUND FROM 4 TO 6

MONDAY, SEPTEMBER 11: FIRST DAY OF SCHOOL!

ENROLLEMENT PACKETS WILL BE MAILED IN MID AUGUST.

I wish you a fun filled summer with your families. Debby
